The form contains three dental arch diagrams, each with a percentage of bleeding teeth written in the center and the word 'Bleeding' below it. The first diagram (top left) shows 91% bleeding, with red numbers '3' written next to most teeth and '2' and '1' at the top. The second diagram (middle) shows 4% bleeding, with a red '1' next to one tooth. The third diagram (right) shows 0% bleeding.
