

The Left Handed

Standard
Surgical
Grip

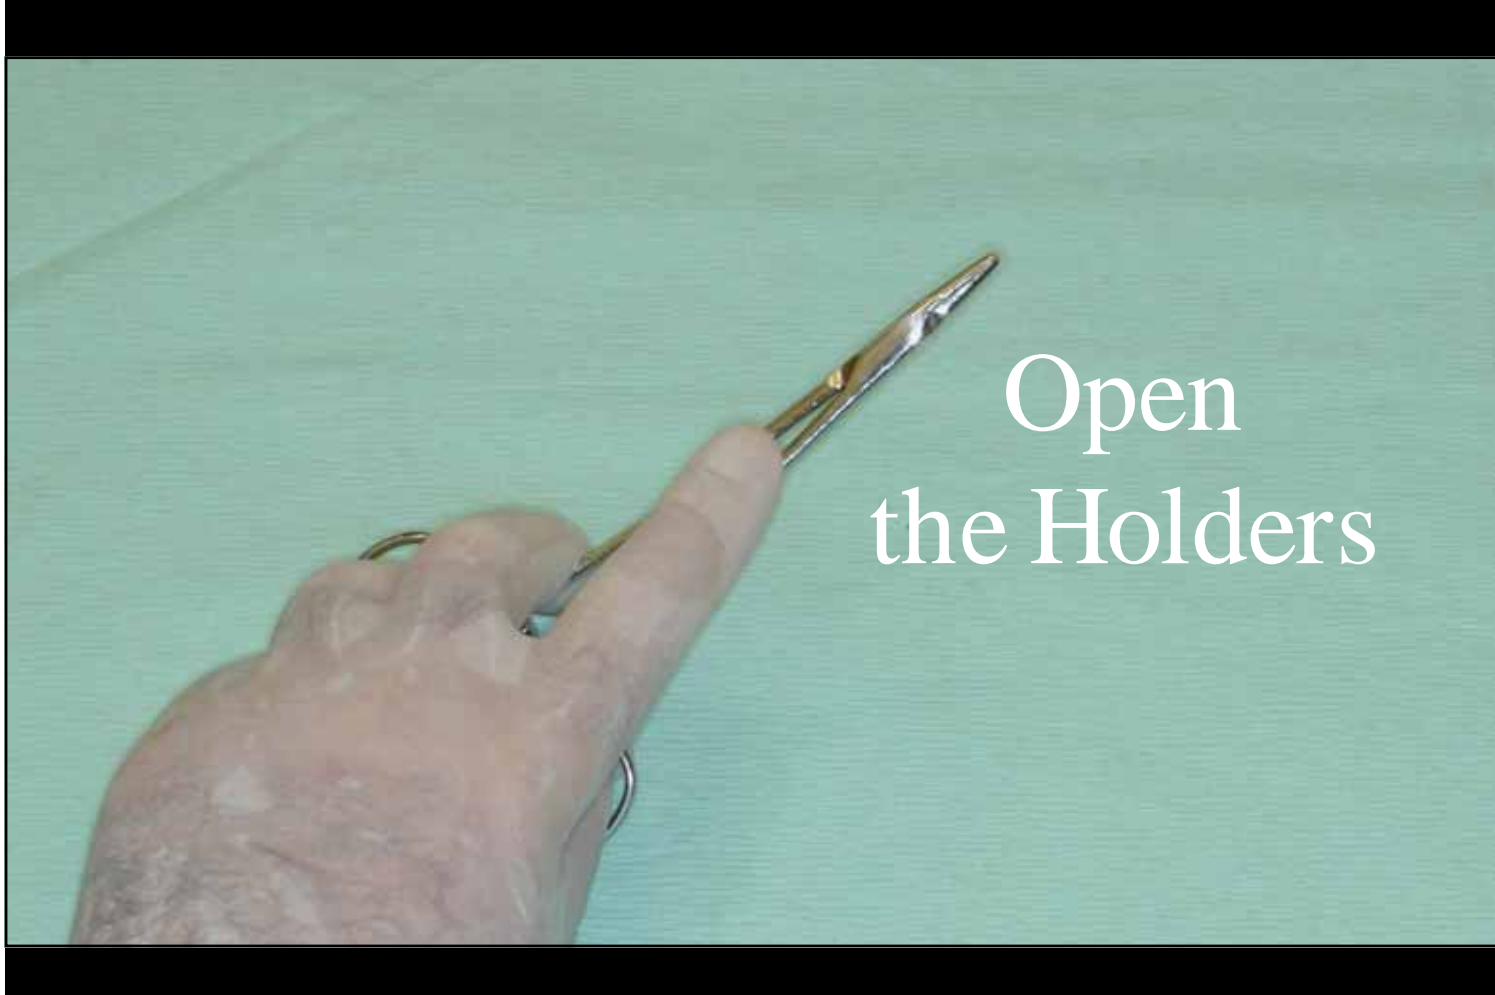

Open
the Holders

A close-up photograph of a hand holding a pair of surgical forceps. The hand is positioned on the left side of the frame, with the thumb and index finger gripping the handles of the forceps. The forceps are held in a way that the tips are pointing towards the upper right. The background is a solid, light green color. The text "Close the Holders" is overlaid on the right side of the image in a white, serif font.
